Subscription Charges

The subscription charges are £168.00 for 1 year or £399 for 3 years.

Payment details for subscriptions are not required, Trackstar will contact you within 24 hours of returning this form and take payment for these direct.

On payment of the subscription please look out for your activation email coming through, this contains your username and password. **The password will expire within 24 hours so you will need to log in and change this.** If not you can email Trackstar customer services after installation and request a new link.

Once installation is complete you will be able to log into the account using your new password and download your installation certificate. This can then be sent to your insurer if required.

Should the installation address be different to the one above then please provide us with this.
